1) Chairman's Report.

Dennis read out his annual report, a copy of which was handed to each member and thanked the Committee for their sterling work throughout the year. It has seen the refurbishment completed, along with a successful Grand Opening and continued improved usage of the hall as more and more people become aware of the improved facilities. Increasingly popular events such as the Pop up Indian Nights and regular ones such as the Village Markets are further enhancing the reputation and the burgeoning success of the hall. It is very pleasing to see and Dennis said that all the Committee members who all give up their free time should be very proud of all their achievements.

2) Secretary's Report.

Neil reiterated Dennis's comments and thanked all of the Committee members for their individual and collective efforts throughout the previous year. To see the improved usage of the hall and the positive comments from members of the public due to the efforts of the Committee and several other volunteers who have helped throughout the year, is heartwarming.

3) Financial Report.

Wendy handed out the financial report for January-December with each member given a copy.

Wendy also thanked everyone on the Committee for all their work and help and stated without all of their dedication we would not be in the good place that we find ourselves in. She remarked that to see where we were when we took on our roles to where we are now is astounding. Everyone should rightfully be proud of the fruits of our labours.
